Hi Marylin,

Yes, we would definitely appreciate if you would send us a copy of this newest document.

I'm also copying my colleague, Daniel Stevens, who is going to be handling this matter from now on. He'll be your contact for this request moving forward.

Thanks so much!

Good Morning, Katie. One of my colleagues just received a document, in response to another request, that may be related to your request. But I'm not sure it's exactly what you're looking for. My colleague also requested a contract, and was sent a document the title of which appears below. Please let me know if this would be helpful. If so, I'll process it and get it to you asap.

Best,  
Marilyn
